Subject: Notice of File Closure and Release of Reclamation Surety, World Minerals, Inc.,
Snowflake Mine, S/027/0100; Millard County, Utah

Dear Ms. True:

The Notice of Intention to Commence Small Mining Operations for the Snowflake mine, S/027/0100, located in Millard County, Utah, will now be closed and the file retired.

On May 27, 2009, an inspection was performed and it was determined that the site was reclaimed and that it can be fully released. On September 16, 2009, we received concurrence from the BLM that they agree with the file closure and release of the surety.

The surety company is being notified to release your surety bond.

We are returning your original reclamation contract to you for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.
